

Procedure to Request Exclusive Use of City Property (Road Closure, Park Usage, or other Misc Requests)

1. Contact City Hall to check for open dates.
2. In order to formalize your request and reserve your date, complete, sign, and submit a Property Use/Rental Application to city hall. No less than 90 days before the event City hall staff will tentatively approve the request at this time based on the date and information provided on the application.
3. Within 45 days of the event, a certificate of insurance must be obtained and submitted to city hall which adhere to the following guidelines:
 - a. All requests are subject to the same (minimum) insurance requirement that is outlined in Ordinance No. 2010-03. 1 million/2 million aggregate.
 - b. The entity must be listed as the “Primary Insured”, with the “City of Anna, a Municipal Corporation”, as the additional insured.
4. Within 45 days of the event, a cashier’s check or money order for any fees (if applicable) made out to the City of Anna, must be submitted to city hall.
5. Once all preceding steps are completed, the application will be added to the next city council agenda for formal approval.
6. If any of the above steps are not completed, or are not completed to the city’s specifications, the request is considered null and void, and therefore is not authorized by the City of Anna. Any unauthorized use of city property is prohibited, and fines may be imposed for said unauthorized use.

Multiple Dates If your organization is having an event on multiple dates, one application and one insurance policy, listing all dates, is acceptable.

Vendors/Equipment If your event has outside vendors (NO FOOD VENDORS) and/or equipment, you must attach a copy of your contract with that vendor to your application. You are responsible for obtaining the vendors insurance. All vendors must list city as additional insured.

All of these requirements must be met to secure “exclusive use” and/or closure of any part of the Park and or City Streets, Alley ways, Parking Lots, etc. This includes school functions, sporting teams, cheerleading camps, and any and all organizations/businesses, etc. No organization is exempt from this process.
